Dear Mr. Turner:

We wanted you to see an advance copy of the first "Creekside Commentary," a newsletter published by Solutia's W. G. Krummrich Plant for residents in the Sauget and Cahokia area who have an interest in the cleanup work being performed in Dead Creek.

We will publish this newsletter periodically and mail it to residents and businesses in the affected area. It's important to us that the residents understand what is happening during this cleanup process.

If you have any comments about the newsletter, or any questions, please feel free to contact me at the Solutia Community Hotline phone number: (618) 910-2332.

We will continue to keep you on our newsletter mailing list, unless you contact us to have your name removed.

Sincerely,

A handwritten signature in black ink that reads "Don Ridenhower". The signature is written in a cursive, slightly slanted style.
